☐Fall (Beginning August) ☐Spring (Beginning January) ☐Summer (Beginning May)	☐Yes ☐No	☐English ☐German Other_____	☐French ☐Spanish

Student and Parent Agreement

We, the student and parent or guardian, agree for the above named to enroll in the Dual Enrollment/Early College Program offered in coordination with Florida Keys Community College. We understand the course selection for enrollment will be authorized each term by the parent/guardian for courses that are creditable toward the high school diploma. We agree to abide by the guidelines of the Dual Enrollment/Early College Program, as well as the College policies and procedures, while enrolled in FKCC. We will cooperate with the College in fulfilling responsibilities. We understand that any courses registered for, or grades received, become a permanent part of the student's college record. We understand it is the student's and parent's/guardian's responsibility to drop or withdraw from a Dual Enrollment course should the need arise.

We further understand that Dual Enrollment course-level expectations, include, but are not limited to the following:

- **Any letter grade below a "C" will not count as credit toward satisfaction of the requirements in Rule 6A-10.030, F.A.C.; however, all grades are calculated in a student's GPA and will appear on their college transcript.**
- **All grades, including "W" for withdrawal, become a part of the student's permanent college transcript and may affect subsequent postsecondary admission.**
- **While appropriate for college-level study, course materials and class discussions may reflect topics not typically included in secondary courses which some parents may object to for minors. Courses will not be modified to accommodate variations in student age and/or maturity.**
- **Students should carefully select courses to meet degree requirements, including approved program common prerequisite courses, in order to minimize student and state costs for excess hours.**
- **In order to continue participation in dual enrollment, students must maintain a 3.0 un-weighted high school GPA.**

We certify that all the information submitted in this application is true to the best of our knowledge. We understand that any misrepresentation of facts may result in the immediate cancellation of the student's application or registration.
