

Dual Enrollment Authorization

By signing this form I acknowledge the following college/course level expectations:

1. Any letter grade below a "C" will not count as credit toward satisfaction of the requirements in Rule 6A-10.030, F.A.C.; however, all grades are calculated in a student's GPA and will appear on their college transcript.
2. All grades, including "W" for withdrawal, become a part of the student's permanent college transcript and may affect subsequent postsecondary admission.
3. While appropriate for college-level study, course materials and class discussions may reflect topics not typically included in secondary courses which some parents may object to for minors. Courses will not be modified to accommodate variations in student age and/or maturity.
4. Students should carefully select courses to meet degree requirements, including approved program common prerequisite courses, in order to minimize student and state costs for excess hours.
5. In order to continue participation in dual enrollment, students must maintain a 3.0 un-weighted high school GPA.

STUDENT NAME:	STUDENT FKCC NUMBER:	DATE:
