

**FKCC Nursing Program Plan of Study (by cohort group- Fall & Spring): 72 Credit A.S. Degree**

*Please note that clinical time for CN III (NUR2818C) is not allowed until all course requirements are met for NUR 2462. This is the capstone course and includes didactic and "preceptored" clinical components. In addition, there is mandatory ATI testing and an NCLEX-RN review that is required to complete the course.*

**Mandatory prerequisites that must be completed before acceptance into the nursing program:**

**ENC 1101 (3 cr), MAT 1033 (3 cr), & PSY 2012 (3 cr) = 9 credits.**
