

The Associate in Arts Degree

University Transfer Plan:

Biology

The Associate in Arts degree is designed primarily to meet the requirements for a student to transfer to the upper division level of a college or university to continue to work toward a bachelor's degree.

For undergraduate admission to a state university, students must have earned two years of sequential foreign language at the high school level, or complete (with passing grades) at least 8 semester hours at a previous college or university (as required by Florida Statute 240.233).

A Pathway To:

Bio Engineer
Chiropractor
Industrial Hygienist
Microbiologist
Veterinarian

For more information, contact the Office of Advising and Student Engagement or visit www.fkcc.edu for further information.
