Articulation Agreement

Johnson and Wales University
and
Florida Keys Community College

This agreement is set in accordance with all understanding on transferability and acceptance into the program of Bachelor of Science in Management (Accelerated Program.)

The institutions agree a student may apply into the Bachelor of Science in Management (Accelerated Program), a two-year, accelerated Management program provides the student a broad understanding of the key issues facing the business world. The program culminates in awarding a Bachelor of Science degree for graduates of non-management and/or business-related associate degree programs.

Transfer credit can only be earned in the following manner:

- Students must earn a minimum grade of "C."
- Students must select a major to insure the proper awarding of transfer credit.
- Johnson & Wales will evaluate course-by-course to reflect students' curriculum.
- Course credit hours must equate to the course credit hours assigned to Johnson & Wales courses.
- This agreement will expire in August 2012.

Following prerequisites apply:

A.S. Degree (or equivalent) with 90.0 transfer credits
ENG1001- An Introduction to Literary Genres
ENG1020- English Composition
ENG1030- Communication Skills
FIT1000 - Information Technology for Business Professionals I
Math: One Math course, MATH1002 level or higher
Science: One Science course
Social Science: One Sociology, Psychology or Political Science course
The following signatures attest to this articulation and agree to yearly review the program, policies and acceptance practices on this date.
