FLORIDA KEYS COMMUNITY COLLEGE  
AND  
UNIVERSITY OF MARYLAND UNIVERSITY COLLEGE  

Alliance Agreement  

This Alliance Agreement ("Agreement") is made this 23rd day of April, 2012 ("the Effective Date") by and between the University of Maryland University College ("UMUC") and Florida Keys Community College ("FKCC") who together are collectively referred to as the "Institutions."

I. Introduction

a. UMUC is an accredited institution of higher education located in Adelphi, Maryland, and provides its academic courses and programs in Maryland and through distance delivery. UMUC offers undergraduate and graduate degree and certificate programs and is accredited by the Commission on Higher Education of the Middle States Association of Colleges and Schools. UMUC is a constituent institution of the University System of Maryland, an agency of the State of Maryland.

b. FKCC is a regionally accredited institution located in Key West, Florida and provides its academic courses and programs in the Florida Keys area. FKCC offers two-year associate programs and is accredited by The Southern Association of Colleges and Schools. Florida Keys Community College is an open-access, educational institution dedicated to serving the intellectual, diverse, cultural, and occupational needs of the Florida Keys as well as the global community.

c. The Institutions recognize the programs and courses offered by the other and desire to establish their understanding regarding the transfer and applicability of credits from one institution to the other. The Institutions further desire to allow simultaneous admission to FKCC and UMUC ("the Alliance"). To that end the Institutions enter into this Agreement.

Now therefore, the Institutions agree as follows:

II. Term

a. The term of this Agreement shall be effective as of April 23, 2012 and continue in effect for an initial period of one (1) year and shall automatically renew for successive one (1) year periods.

b. Either party may terminate this Agreement by providing the other ninety (90) days prior written notice. During the notice period the parties may discuss continuation of a formal relationship between them.

c. Provided neither Institution’s programs, courses or graduation requirements have changed materially to the effect that articulation or the transfer of credit is no longer academically appropriate, UMUC shall accept the transfer of FKCC credits and afford the
students the status as stated herein on the terms and conditions of this Agreement for those students who, at or before the termination Agreement, have enrolled in UMUC and remained continuously enrolled.

III. Dual Admissions, Transfer Credit, Reverse Transfer and Scholarships

   a. **Dual Admission.** The Institutions agree to allow simultaneous admission to FKCC and UMUC. UMUC will not promote transfer to UMUC before a student has completed 45 credit hours at FKCC and shall encourage students to continue to obtain their associates degree.

   b. Students enrolled in both Institutions under this Agreement ("Alliance Students") shall be subject to the laws, regulations, practices and policies in effect at the institution the respective Alliance Student is attending. UMUC will waive the UMUC admission application fee for Alliance Students who complete the admission application prior to graduating from FKCC.

   c. With respect to students enrolled in the Alliance, UMUC and FKCC shall abide by the following procedures:

      (i) **Specific Programs — Acceptance of Degrees.** Subject to the terms and Conditions of this Agreement, UMUC shall provide students graduating from FKCC with the opportunity to seamlessly transfer to UMUC into any of the Bachelor’s degree programs offered by UMUC.

      (ii) **Transfer of FKCC Credits to UMUC.** Subject to the terms and conditions of this Agreement, UMUC shall accept transfer of FKCC credits up to a maximum of seventy (70) credit hours on the following terms and conditions:

         A) the grade earned in the course in question is at least a C;

         B) the student does not take the equivalent course at UMUC.

   d. **Evaluation of Transfer Credits.** UMUC will grant prospective students from FKCC a tentative evaluation of all transfer credits within 1-3 business days. It is anticipated that Alliance Students who apply to UMUC and submit official transcripts to UMUC will receive an official evaluation of their transfer credits within 5 business days of receipt of all documentation. Evaluations may take slightly longer if courses from FKCC have not been evaluated by UMUC.

   e. **Changes in Programs.** Notwithstanding anything in this Agreement to the contrary, the Institutions retain the right and the authority to make changes in their respective courses, programs and credential requirements that they each may determine to be in their respective best interest. The parties shall give the other reasonable notice of changes in course program and credential requirements that may materially affect the Alliance Student’s status and acceptance of degrees or the transfer of credit as contemplated in this Agreement. Students who
are already enrolled in the Alliance at the time of program or course changes will have the opportunity to choose whether they will follow the new or existing program.

The parties shall meet, at least annually, to review the changes in courses, programs and credential requirements for the purpose of determining whether or if this Agreement should be amended to reflect the courses, programs and credential requirements then in effect.

f. **Reverse Transfer.** UMUC will promote reverse transfer to FKCC students who transfer to UMUC without a FKCC associates degree. Interested students must sign a FERPA waiver to allow UMUC and FKCC advisors to exchange student academic records to implement dual advising and promote reverse transfer opportunities. Data will be shared yearly with FKCC administrators.

g. **Scholarships.** UMUC will offer graduates from FKCC the opportunity to apply for the Community College Transfer Scholarship or other scholarship opportunities as they become available. Students must meet Community College Transfer Scholarship qualifications for eligibility which include 3.0 GPA, associate degree earned from CC and student is a U.S. citizen or permanent resident. The Community College Transfer Scholarship will be promoted on both FKCC and UMUC web sites, in UMUC Alliance publications, and UMUC will host Instant Scholarship events on CC campuses throughout the year as funds remain available.

h. **Tuition Discount.** UMUC shall provide full-time faculty and staff from FKCC with a 25% tuition discount for the Doctor of Management programs, including the Doctor of Management in community college policy and administration, subject to appropriate admissions requirements and verification of employment.

IV. **Applicability**

a. In order for an Alliance Student having graduated from FKCC to be afforded status in the Articulated Programs as contemplated in Section 3 or to be afforded transfer credits as contemplated in Section 3, that student must have met UMUC’s admission criteria and other applicable requirements for the transfer of Articulated Programs or the transfer of credits as set forth in the then applicable UMUC catalog at the time the Alliance Student applies for admission to UMUC.

b. UMUC and FKCC agree that the status afforded to students as contemplated in this Agreement applies only to the Articulated Programs, courses in the Articulated Programs, transfer of credits and credentials and credential requirements in effect as of the Effective Date.

V. **Publicity and Promotion**

a. During the term of this Agreement, the Institutions shall develop and agree upon a mutually acceptable marketing and student recruitment plan to promote the FKCC-UMUC alliance and inform students of the opportunities available at both institutions under this Agreement. FKCC agrees to promote the Alliance to FKCC students by allowing UMUC to place marketing materials in student service centered departments, on the FKCC website, and
in other FKCC transfer publications. Any and all marketing, promotional or publication materials developed pursuant to this Agreement prepared or developed by one party must be reviewed and approved in writing by the other party prior to use of any such materials.

b. The institutions will discuss methods to publicize the transfer and applicability of transfer credit and to promote enrollment of and other opportunities for FKCC’s students and alumni at UMUC.

c. Neither Institution shall use the name or marks of the other party in connection with any product, service, promotion, news release or other publicity, without the prior written consent of the party whose name of likeness may be under consideration.

d. Notices. The Institutions will identify their respective representatives for this Agreement and share contact information from time to time.
