FKCC Welcomes New Director of Middle and Upper Keys Centers

KEY WEST, FL, June 9, 2011—Florida Keys Community College welcomes Chris Fletcher as the new Centers Director. Fletcher will serve in the vital role of overseeing operations of the college’s two northern branches: the Middle Keys Center in Marathon and the Upper Keys Center in Tavernier.

A native of Islamorada and graduate of Coral Shores High School, Fletcher returns to the Keys after fifteen years of working in higher education and hospitality in central Florida. He was most recently the Assistant Director of the University of Central Florida’s Regional Campuses. There, he managed a range of student services, recruitment activities, and community outreach for the university’s ten satellite campuses located throughout central Florida. He has also been an adjunct professor at UCF’s Rosen College of Hospitality Management since 2008.

Fletcher has a Master of Science and a Bachelor of Science in Business Administration from the University of Central Florida.

“Chris’ experience in working with students at branch campuses, his palpable enthusiasm, and his knowledge of the Keys will serve the college and our constituents well,” said Dr. Larry Tyree, FKCC President.

Fletcher will split his time between the college’s Middle Keys and Upper Keys Centers.
