ACADEMIC PROBATION AND SUSPENSION

To maintain satisfactory academic progress at Florida Keys Community College, students, including dual enrollment students, must achieve a minimum grade point average (GPA) of 2.0. Students who have attempted seven (7) or more college credits with less than a 2.0 cumulative GPA (not including college preparatory courses) will be placed on academic probation. Students who remain on academic probation for more than two consecutive terms will be placed on suspension.

The purpose of probation and suspension is to identify students who have had academic difficulties in order to provide them with additional assistance toward achieving success in their college work. Students on probation or suspension will be required to obtain an academic advisor’s or program director/ advisor’s approval before registering for courses for the following semester due to an academic hold placed on probation/suspension students. Individual problems will be identified and solutions will be sought in an attempt to help students improve their academic status. Students, including dual enrollment students, will be removed from academic probation or suspension when their cumulative grade point average becomes 2.0 or greater.
