HOW ELIGIBILITY IS DETERMINED

After your FAFSA application is processed and the information is received by Florida Keys Community College, the college determines your aid eligibility based on your expected family contribution (EFC). If you apply for aid simultaneously at several colleges, your EFC should remain the same at each institution.

Students holding an earned bachelor’s degree from a U.S. college or university are not eligible for federal Pell grant money, but may be eligible for other federal and private aid.

Students who transfer to FKCC from another institution must submit their official transfer work from all post-secondary institutions attended to Enrollment Services for processing. Transfer work must be evaluated to determine if the student is meeting basic federal requirements of Satisfactory Academic Progress and maximum time frame. It is the student’s responsibility to ensure that all necessary documents are submitted in a timely fashion so that sufficient time for processing is allowed.
