STUDENT CODE OF CONDUCT VIOLATIONS & PROCEDURES

Florida Keys Community College has established regulations governing student conduct which are considered necessary to:

- preserve and maintain an environment conducive to learning,
- to ensure the safety and welfare of members of the College community,
- to encourage students in the development and practice of good citizenship and self-discipline,
- and to protect property and equipment of the College.

Each student, by registration, assumes the responsibility to become familiar with and to abide by College regulations and acceptable standards of conduct. Students who fail to observe College regulations or to maintain acceptable standards of personal conduct on the campus or at College-sponsored functions or facilities are subject to disciplinary action. (FKCC Board Policy 7.510)

I. DEFINITIONS

All definitions of terms used herein can be found in the Definitions section at the end of the Student Code of Conduct.

II: STUDENT CODE AUTHORITY

a) The Dean of Student Affairs shall develop procedures for the administration of the student conduct system and procedural rules for the conduct of Student Conduct Hearings.

b) The Dean of Student Affairs, or designee, shall have original jurisdiction over all cases involving an alleged violation of the Student Code of Conduct or other nonacademic policy established by the District Board of Trustees.

The Equity Coordinator, or designee, shall have original jurisdiction over all cases involving alleged violations of discrimination or harassment.
c) The Dean of Student Affairs and/or Equity Coordinator, or designee, shall be authorized to investigate and to hear each matter and to determine sanctions as appropriate.

d) Decisions made by the Dean of Student Affairs and/or Equity Coordinator, shall be final, pending the appeal process set forth in Section IV. E.

III: PROSCRIBED CONDUCT

a) Jurisdiction of the College Student Code of Conduct

The College Student Code of Conduct is in effect on College premises, on property owned by Florida Keys Community College and at functions sponsored by or participated in by the College regardless of the locations.

If a student is formally charged with a felony, or with a delinquent act which would be a felony if committed by an adult, for an incident which allegedly occurred on property other than College premises, or a function sponsored by or participated in by the College regardless of location, and if that incident is determined to have an adverse impact on the educational program, discipline, or safety and welfare of the College, then the College has the right to suspend the student pending final adjudication of the criminal charge. If the student is adjudicated guilty, then the student may be recommended for expulsion through the normal expulsion procedure. With this exception, the College will not ordinarily impose sanctions on a student who is subject to criminal prosecution for off-campus activity.

Each student shall be responsible for his/her conduct from the time of application for admission through the actual awarding of a degree, even though conduct may occur before classes begin or after classes end for the term, as well as during the academic year and during periods between terms of actual enrollment. The Student Code of Conduct shall apply to a student’s conduct even if the student withdraws from school while a disciplinary matter is pending.

b) Infractions / Misconduct

Any student found to have committed or to have attempted to commit the following misconduct is subject to the disciplinary sanctions outlined in Section IV:

Alcohol/Drugs: The student shall not knowingly possess, use, transmit, or be under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, any other
controlled or counterfeit substance defined in FS 893.03, or substitute for such, alcoholic beverage, inhalant or intoxicant, on the campus either before, during or after school hours or off the College grounds at a College activity, function or event. Also, a student shall not possess, have under his/her control, sell or deliver any device, or contrivance, instrument or paraphernalia containing the substance or substances described in this paragraph or any residue of such substance or devices intended for use or used in injecting, inhaling/inhalant/huffing, smoking, administering, or using any of the foregoing prescribed drugs, narcotics, or stimulants. Use of a drug authorized by a medical prescription from a registered physician for a specific student shall not be considered a violation of this rule.

**Academic Integrity Violation:** Violations of the Academic Integrity Policy are handled at the faculty member’s discretion. All faculty members state their academic integrity policy on their class syllabus. Taking of information includes, but is not limited to, copying homework assignments from another student; working with others on a take-home test or homework when not specifically permitted by the teacher; looking or attempting to look at another student’s paper during an examination; looking or attempting to look at text or notes during an examination when not permitted. The tendering of information includes, but is not limited to, giving work to another student to be used or copied; giving answers to exam questions as the exam is being
given; giving answers or other such information after taking an exam to another student who has not yet taken the exam; giving or selling a term paper or other written materials to another student.

Plagiarism also occurs in a group project if a member of the group does not do his or her fair share of the group’s work but attempts to take credit for the work of the group. IV: STUDENT CODE OF CONDUCT VIOLATIONS PROCEDURES

a) Charges and Student Conduct Hearing Procedures

Any member of the College community may file charges against a student for alleged violations of the Code of Student Conduct. The Dean of Students Affairs and/or Equity Coordinator shall decide whether to conduct a preliminary investigation to determine if the alleged complaint has merit and charges should be brought against the student. The Dean of Student Affairs and/or Equity Coordinator may choose to act as or designate a Student Conduct Administrator (SCA), to conduct the preliminary investigation.

The Dean of Student Affairs and/or Equity Coordinator may also commence disciplinary proceedings absent a complaint when a College policy violation has been reported.

1. Notice. If the SCA determines that the alleged complaint has merit, then all charges, including the specific infractions and/or misconduct alleged, shall be presented to the Accused Student in written form as soon as possible after the College’s preliminary review of the event takes place, normally within five (5) work days. The College shall either hand-deliver, email, or mail the notice to the student’s official address on file with the College.

2. Administrative Conference. If deemed appropriate by the SCA, he or she may first attempt to resolve the Student Code of Conduct infractions and/or misconduct by holding an Administrative Conference wherein mediation and/or conflict resolution may be used to arrive at mutual consent of the parties involved. Both the Accused and Complainant must participate in the conference. If the outcome of the Administrative Conference is acceptable to the SCA and both parties, then such disposition shall be communicated in writing to all parties within a reasonable period of time (typically 5 working days) and shall be final, and there shall be no subsequent proceedings. A copy of the documentation
detailing the outcome of this stage shall be provided to the Dean of Student Affairs and/or Equity Coordinator.

If the charges are not admitted to and/or cannot be disposed of by an Administrative Conference, then the SCA will hold a hearing as described below. If the student accepts responsibility for violating the Code of Student Conduct during the Administrative Conference, but sanctions are not agreed to, the subsequent process, including a hearing if necessary, shall be limited to determining the appropriate sanction(s). A copy of the documentation detailing the outcome of this stage shall be provided to the Dean of Student Affairs and/or Equity Coordinator.

3. **Hearings.** Hearings shall be conducted by the SCA according to the following guidelines:

   a. Hearings normally shall be conducted in private unless the Accused Student requests that it be public and the Complainant and the Dean of Student Affairs and/or Equity Coordinator agree.

   b. If, in the opinion of the SCA, the infraction could reasonably result in either suspension, expulsion or other serious sanction, the SCA may select, form, and chair an Ad Hoc Student Conduct Committee – typically within 10 working days of the complaint or infraction. The committee shall include up to a total of three (3) representative College community members (employees and students). The role of the committee members is to act in an advisory capacity to the SCA who has sole responsibility and authority to determine whether or not the student is responsible for violation of the Student Code of Conduct and to assign the appropriate sanctions for those found responsible for violating the Student Code of Conduct. Committee members do not vote.

   c. The Complainant, Accused Student and their advisors, if any, shall be allowed to attend the entire portion of the hearing at which information is received. Admission of any other person to the hearing shall be at the discretion of the SCA.

   d. In hearings involving more than one Accused Student, the SCA, at his or her discretion, may permit the hearings concerning each student to be conducted either separately or jointly.
e. The Complainant and the Accused Student have the right to be assisted by an advisor they choose, at their own expense. In order to maintain the educational nature of the hearing, the advisor must be a member of the College community and may not be an attorney. The Complainant and/or the Accused Student is responsible for presenting his or her own information, and therefore, advisors are not permitted to speak or to participate directly in any hearing before a SCA. A student should select as an advisor a person whose schedule allows attendance at the scheduled date and time for the hearing because delays will not normally be allowed due to the scheduling conflicts of an advisor.

f. The Complainant, the Accused Student and the SCA may arrange for witnesses to present pertinent information to the hearing. The College will try to arrange the attendance of possible witnesses who are members of the College community, if reasonably possible, and who are identified by the Complainant and/or Accused Student at least three (3) work days prior to the hearing. Witnesses will provide information to and answer questions from the SCA. Questions may be suggested by the Accused Student and/or Complainant to be answered by each other or by other witnesses. This will be conducted by the SCA with such questions directed to the SCA, rather than to the witness directly. This method is used to preserve the educational tone of the hearing and to avoid creation of an adversarial environment. Questions of whether potential information will be received shall be resolved at the discretion of the SCA.

g. The Complainant and Accused Student each have 20 minutes to present their information; this time frame also includes witness presentations on their behalf.

h. Pertinent records, exhibits, and written statements may be accepted as information for consideration by the SCA at his/her discretion.

i. All procedural questions are subject to the final decision of the SCA.

j. After the portion of the hearing concludes in which all pertinent information has been received, the SCA shall determine whether the Accused Student is responsible for or is not responsible for violating each section of the Student Code which the student is charged with violating.

k. The SCA’s determination shall be made on the basis of whether it is more likely than not that the Accused Student violated the Student Code of Conduct.
1. The SCA will notify the Accused Student in writing via College email and mailing address on the student’s record within 5 working days of the determination.

m. Formal rules of process, procedure, and/or technical rules of evidence, such as are applied in criminal or civil court, are not used in Student Code of Conduct proceedings.

The College will make a single verbatim record, such as a digital recording, of all hearings before a SCA (not including deliberations). Deliberations shall not be recorded. The original record shall be the property of the College. The Accused and Complainant may request and receive a single copy. No participant in any hearing shall be permitted to make their own separate recording.

If an Accused Student, with notice, does not appear before the SCA, the information in support of the charges shall be presented and considered even if the Accused Student is not present.

The SCA may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the Complainant, Accused Student, and/or other witness during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, video conferencing, videotape, audio tape, written statement, or other means, where and as determined in the sole judgment of Dean of Student Affairs or Equity Officer to be appropriate.

b) Sanctions

The following sanctions may be imposed upon any student found to have violated the Student Code of Conduct:

- Reprimand
- Restitution
- Fines
- Withholding of diplomas or transcripts pending compliance with rules
- Restrictions on the use of or removal from campus facilities
• Community Service
• Educational requirements
• Probation
• Suspension
• Expulsion
• Revocation of Admission and/or Degree.

More than one of the sanctions listed above may be imposed for any single violation.

Other than College expulsion or revocation or withholding of a degree, disciplinary sanctions shall not be made part of the student’s permanent academic record, but shall become part of the student’s confidential record. After graduation, the student’s confidential record may be expunged of disciplinary actions other than College suspension, College expulsion, or revocation or withholding of a degree, upon application to the Dean of Student Affairs. Cases involving the imposition of sanctions other than suspension or expulsion may be expunged from the student’s confidential record three years after final disposition of the case or according to state laws.

In situations involving both an Accused Student(s) (or group or organization) and a student(s) claiming to be the victim of another student’s conduct, the records of the process and of the sanctions imposed, if any, shall be considered to be the education records of both the Accused Student(s) and the student(s) claiming to be the victim because the educational career and chances of success in the academic community of each may be impacted.

The following sanctions may be imposed upon groups or organizations:

• Reprimand
• Restitution
• Suspension, Cancellation, or Revocation of the registration or official recognition of a student organization
• Restrictions on the use of, or removal from, campus facilities.
In each case in which it is determined that a student and/or group or organization has violated the Student Code, the sanction(s) shall be determined and imposed by the SCA. In cases in which persons other than, or in addition to, the SCA have been authorized to hear the case, any recommendations shall be considered by the SCA in determining and imposing sanctions. The SCA is not limited to sanctions recommended by others authorized to hear the case. Following the hearing, the SCA shall advise the Accused Student, group and/or organization (and a complaining student who believes s/he was the victim of another student’s conduct) in writing within 5 days of the determination and of the sanction(s) imposed, if any.

c) Temporary, Emergency Course Suspension

After preliminary investigation, if, in the opinion of both the SCA and the Dean of Student Affairs, there is reasonable cause to believe that a student has committed an infraction of the Student Code of Conduct, such that his or her attendance at one or more classes would substantially impact the educational process, then, the SCA may place the student on temporary suspension from one or more classes or transfer the student temporarily to a different section of the course. The SCA shall notify the student in writing of the charge and investigation. The student may not return to the course until approved to do so by the SCA. Every effort will be made to investigate and resolve the complaint quickly.

The Student may be offered the option of voluntarily withdrawing from the class.

If as a result of the investigation, the SCA and the Dean of Student Affairs do not approve the student to return to class, then the SCA shall file the appropriate charges for violation of the Student Code of Conduct and all procedures for handling the violation of the Student Code of Conduct will be followed as described herein. The student will not be permitted to return to class until such time as the Student Conduct Hearing process is complete and as a result of the outcome of the hearing the SCA grants permission for the student to return.

If as a result of the SCA’s sanction, the student is not permitted to return, then the Dean of Student Affairs will withdraw the student from the specific class.

d) Emergency College Suspension
After preliminary investigation, if, in the opinion of the President, or his/her designee, there is reasonable cause to believe that a student’s presence on campus may:

1. endanger the safety and well-being of members of the College community or preservation of College property;
2. endanger the student’s own physical or emotional safety and well-being; or
3. cause an ongoing threat of disruption of, or interference with, the normal operations of the College,

then the President, or his/her designee, may impose an Emergency College Suspension prior to a hearing and during the investigation. (FKCC Board Policy 7.750)

During the emergency suspension, a student shall be denied access to the campus (including classes) and/or all other College activities or privileges for which the student might otherwise be eligible, as the Dean of Student Affairs may determine to be appropriate.

The emergency suspension does not replace the regular process, which shall proceed on the normal schedule, up to and through a hearing, if required.

e) Appeals

A decision reached by or a sanction imposed by the SCA may be appealed by the Accused Student(s) or Complainant(s) to the Dean of Student Affairs or Equity Officer within five (5) work days of the decision. Such appeals shall be in writing and shall be delivered to the Dean of Student Affairs.

A decision reached by or a sanction imposed by the Dean of Student Affairs or Equity Officer may be appealed by the Accused Student(s) or Complainant(s) to the Provost within five (5) work days of the decision. Such appeals shall be in writing and shall be delivered to the Provost.

Except as required to explain the basis of new information, an appeal shall be limited to a review of the verbatim record of the hearing and supporting documents for one or more of the following purposes:

1. To determine whether the hearing was conducted fairly in light of the charges and information presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and to present information that
the Student Code of Conduct was violated, and giving the Accused Student a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results.

2. To determine whether the decision reached regarding the Accused Student was based on substantial information, that is, whether there were facts in the case that, if believed by the fact finder, were sufficient to establish.

3. To determine whether the sanction(s) imposed were appropriate for the violation of the Student Code of Conduct which the student was found to have committed.

4. To consider new information, sufficient to alter a decision, or other relevant facts not brought out in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original hearing.

If an appeal is upheld by the Dean of Student Affairs, the matter shall be returned to the original SCA for re-opening of the hearing to allow reconsideration of the original determination and/or sanction(s). If an appeal is upheld by the Provost, the matter shall be returned to the Dean of Student Affairs or Equity Officer for re-opening of the hearing to allow reconsideration of the original determination and/or sanction(s).

If an appeal is not upheld by the Dean of Student Affairs/Equity Officer/Provost, the matter shall be considered final and binding upon all involved with the exception of the following:

A student who receives the sanction of College Suspension or Expulsion may appeal to the President or President’s designee within five (5) work days of the date of the decision. The written petition shall state the facts of the case, a summary of the evidence presented at the hearing, the findings of the SCA or the Dean of Student Affairs, Equity Officer and/or Provost, and the student’s reason for petitioning the President for review. The President’s action will be limited to review of the basis for the Dean of Student Affairs’, Equity Officer’s, or SCA’s disposition and will not necessarily involve a de novo factual investigation. Notwithstanding the above, the President may, but is not required to, direct that further facts be gathered or that additional remedial action be taken. The President shall notify the student of his or her decision.
typically within fifteen (15) work days of the receipt of the petition of appeal. The decision of the President shall be final.

**V: INTERPRETATION AND REVISION**

a. Any question of interpretation or application of the Student Code shall be referred to the Dean of Student Affairs for a final determination.
