CLASS PARTICIPATION AND PERFORMANCE FOR WHEEL THROWING 1

To succeed in this course, you should do all assigned projects for each class, attend and participate in them. Arriving late, leaving early, cell phone and non-class computer usage, as well as any other disruption of class will result in loss of points.

- Unexcused absences will result in a loss of participation points; excused absences (i.e., those with acceptable documentation of an emergency) will not result in point loss.
- Please note that the instructor may withdraw a student from a course for excessive absences (see FKCC Policies below). For our purposes, “excessive absences” is defined as 3 or more unexcused absences.

ACADEMIC HONESTY & PLAGIARISM

- Students are expected to respect and uphold the standards of honesty in submitting written work to instructors. Though occurring in many forms, plagiarism in essence involves the presentation of another person’s work as if it were the work of the presenter.
- Any cheating or plagiarism will result in disciplinary action to be determined by the instructor based on the severity and nature of the offense. It is the student’s responsibility to review the College’s policy on Academic Honesty.
