

How do I apply my Florida Prepaid?

Applying Florida Prepaid to Your Account

- Students must notify the Business Office if they have a Florida Prepaid account in the first term registered. A flag will be placed on student account to automatically apply Florida Prepaid each semester thereafter until account is depleted.
- It is the responsibility of the student to notify the Business Office if they do not want Florida Prepaid to pay for their tuition.
- All remaining balances after Florida Prepaid is applied are due at the time of registration.

Florida Prepaid Tuition and Fee Coverage

Florida Prepaid pays the College at a rate dependent on the type of plan purchased. Florida Prepaid payment coverage is as followed.

- Dorm Plans cover \$2,724.77 for community colleges
- Regular Plans cover \$96.80 per credit
- Local Plans cover \$109.22 per credit
- None of the Florida Prepaid Plans cover non-credit courses
- **There are some fees that are not covered by Florida Prepaid. It is the student's responsibility to be aware of their plan benefits. Florida Prepaid DOES NOT cover lab fees or distance learning fees, regardless of plan purchased.**
