U.S. Department of Education has established new regulations to prevent fraud and abuse in the Federal Pell Grant Program by identifying students with unusual enrollment histories. Some students who have an unusual enrollment history have legitimate reasons for their enrollment at multiple institutions. However, such an enrollment history requires a review to determine whether there are valid reasons for the unusual enrollment history. This must be resolved before you will receive financial aid.

Please Note:
- Appeals submitted without sufficient supporting documentation will be denied without an option to resubmit.
- DO NOT include original records, they will NOT be returned. DO ensure all copies are legible.
